TWO RESTAURANTS

The gastronomic restaurant, La Bastide, one Michelin star, invites the senses to awaken: the Chef shares his pragmatic approach to cooking which is in tune with the time, without forgetting the heritage of the region and the place. Le Café Capelongue, the hotel's second restaurant, is a lively space inviting you to pop in throughout the day to enjoy its myriad temptations: cappuccino and fruit juice from Carpentras; venison roasted, butternut gnocchis; or an open sandwich and a Mediterranean cocktail. As in a Garden of Eden, the magnificent landscaped park generously offers fruits, vegetables and aromatic plants that make up the tasty cuisine of our Chef Noël Bérard.
