

LES 3 VALLÉES

Pioneer Station of the Three Valleys resort, nestled at 1850m altitude, Courchevel has become a benchmark of excellence. Courchevel is also famous for entertainment, day and night, and the variety of sports. A jewel of the finest ski areas in the world, Courchevel boasts an exceptional natural setting and is conveniently connected to other areas of the Three Valleys resort.

AN HISTORIC PLACE

Designed in the early 1950s as an inn for skiers and mountain enthusiasts, Hôtel des 3 Vallées was an inaugural part of the «Courchevel dream». Providing doorstep access to both the slopes and La Croisette, it embodies a vision of modernism shaped by pioneering French architects and designers such as Jean Prouvé and Charlotte Perriand, who built the Courchevel legend and invented the architecture of winter sports. The authenticity of this Alpine chalet mirrors a milestone moment in creating a very special art of mountain living. With 31 large rooms, a fine-food grocery, a private jacuzzi pool and a spa, Hôtel des 3 Vallées is a modernist hotel at heart, offering the highest standards in luxury and refinement, with easy access to the resort's upscale boutiques and nightlife. This is an unparalleled setting for anyone seeking an unforgettable stay in one of the world's most beautiful ski areas. In the place of its birth, Courchevel 1850 has revived the spirit of its legend.
