CRUISE

OUR FLEET

The best reason for choosing Bateaux Parisiens among all the companies on the Seine is its boats. They are entirely glassed over, giving a panoramic 360° view; we come close to the bridges and you can almost touch the arches of Notre Dame Cathedral.

The fleet consists of 13 vessels, 8 of which are sightseeing boats and 5 restaurant boats.

THE SIGHTSEEING BOAT FLEET

The sightseeing fleet of 8 boats includes 4 trimarans. The latter are currently being refurbished. Le Pierre Bellon was launched in September 2013 and the fleet will have been renovated entirely by 2016.

THE RESTAURANT BOAT FLEET

LE BRETAGNE

Named in 1954 by Madame René Coty, Le Bretagne is a favourite for prestigious events. In particular, it hosted Queen Elizabeth II during her first visit to France.

Its classic lines, the high-quality woodwork, the charm of the decks and the finesse of the cuisine on board make this star of the fleet part of the river heritage of Paris.

Full restoration in 2013 has given Le Bretagne a second life. Subtly classic, resolutely modern and indubitably elegant, Le Bretagne perpetuates the legendary charm of cruises on the Seine.

Capacity: 110 persons seated or for cocktails

LE CRISTAL II

Launched in 1997 by Inès de la Fressange, Le Cristal II was entirely reformulated and renovated in 2010 by its designer, the architect Gérard Ronzatti (Agence Seine Design). He has used the concept of theatre-like boxes in a smart, modern atmosphere.

Capacity: 260 persons seated or for cocktails

LE DIAMANT II

This is the last member of the fleet—launched in 2002 and refurbished in 2011. Le Diamant owes its name to its large glass windows with multiple facets. Small saloons have been fitted out on board, giving the boat a cosy, cocoon-like atmosphere.

Capacity: 340 persons seated, 380 for cocktails

L'ONYX

Launched in 1984, L'Onyx, the first boat in the Bateaux Parisiens fleet to be completely glassed over, was entirely refurbished in 2004/2005.

Capacity: 240 persons seated, 250 persons for cocktails

LE SAPHIR

Launched in 1989 as Symphonie, Le Saphir changed its look in 2009.

Capacity: 160 persons seated or for cocktails
